Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

An empathy map is a fantastic way to step out of the "technical requirements" headspace and into the shoes of the people actually using the ServiceNow portal.

For a **Smart Library Request Workflow**, we generally have two primary personas: the **Library Patron** (The Academic/Employee) and the **Librarian/Fulfillment Agent** (The ServiceNow User).
